***VHS Choir Performances include: Pop Unplugged, Fall Concert, Broadway Night, Winter Concert, Pop Show and Spring Concert*

Dear Viper Choir Booster Supporter,

Since its inception, the Vandegrift High School Choir has excelled competing with top choirs, not only within our district, but also against some of the top choirs in Texas, receiving the highest accolades and recognition. These outstanding recognitions, as well as individual student All-State Choir recognitions, are significant accomplishments for the Choir Director, VHS and students.

Please consider supporting our continued efforts with a donation.

Benefits of sponsorship - Specific benefits are listed on the attached Viper Choir Booster Sponsorship Form, including:

- Recognition in all of our digital concert programs, including Fall Concert, Winter Concert, Broadway Night, Pop Unplugged, Pop Show and our Spring Concert
- Business logo displayed on our choir booster website and social media
- Concert introductions

How YOUR donations are invested - Your donations support our booster club's non-profit mission to build a choir program of excellence in the areas of leadership, music, performance and competition, with an emphasis on college preparedness.

Through your booster-club sponsorship, the VHS Choir has the opportunity to:

- Perform at the San Antonio Madrigal Festival
- Provide financial support to need-based choir students
- Hire musicians ensuring the highest level of performance
- Invest in special recording and accompanists for the competitions
- Award annual scholarships to graduating seniors
- Provide needed updates for equipment and music

As a sponsor you are assured of making a difference to the students of the VHS Choir and continuing our choir program's success! It is also an excellent way to be involved in the Vandegrift community.

For any questions, reach out to Sherri Smetana, Choir Fundraiser - 512-364-4025 or
